**PARENTS ASSOCIATION INTEREST FINDER**

Dear Parents,

The Parents Association relies on and appreciates the assistance of parent volunteers throughout the year. Being a volunteer allows you the opportunity to enhance the RHCDS experience for our children as well as meet other families at our school.

Please take a few minutes to complete the information below and consider where you might like to help out and volunteer next year. If you have special skills, expertise in a certain area, or have identified a team of people that you would like to work with, please make a note in the "Comments" section below. We also welcome your ideas on how to improve the Parents Association and its activities.

I appreciate your time and consideration, and as soon as I have collected all the forms, I'll let you know if there is a spot open for the job(s) you would like to take on. Thank you in advance for your support!
