READING

Hello Fifth graders! We hope you are enjoying your summer and making special memories with family and friends! We look forward to seeing you in the fall!

The summer reading requirements for fifth grade are as followed:

1. Everyone must read at least three books this summer. You are encouraged to read as many books as possible, but only three are required. These books can be any book in your AR reading range.
2. Please record the title of each book you read on the following page along with the AR reading level. Have a parent initial each book to make sure the information is correct.
3. You must pick one book you read and complete the prompt questions in this packet as well as a one page summary on the page provided.

For the summary, make sure to include:

- Main characters and setting
- Main events that happened in order
- Problem and solution
- Conclusion

Happy Reading!

Ms. Spring and Mrs. Hansen

This packet should be turned in on the first day of school.

My favorite part was...

Make a connection to the book. You can choose ONE of the following connections:

- Text-to-Self: Connect the book to something that has happened to you.
- Text-to-Text: Connect the book to another book you have read.
- Text-to- World: Connect the book to something happening in the world.

Illustrate a section of the book. You can choose any part of the book. This illustration should show what you visualized as you read.
